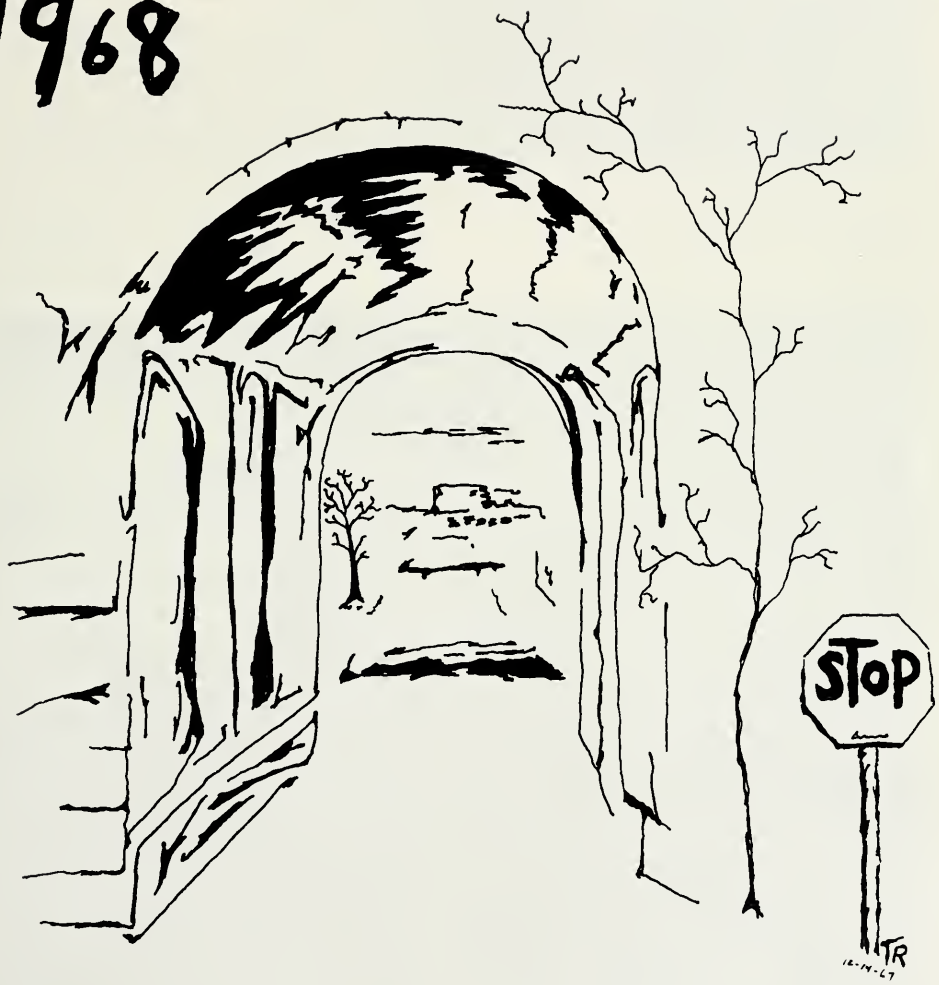
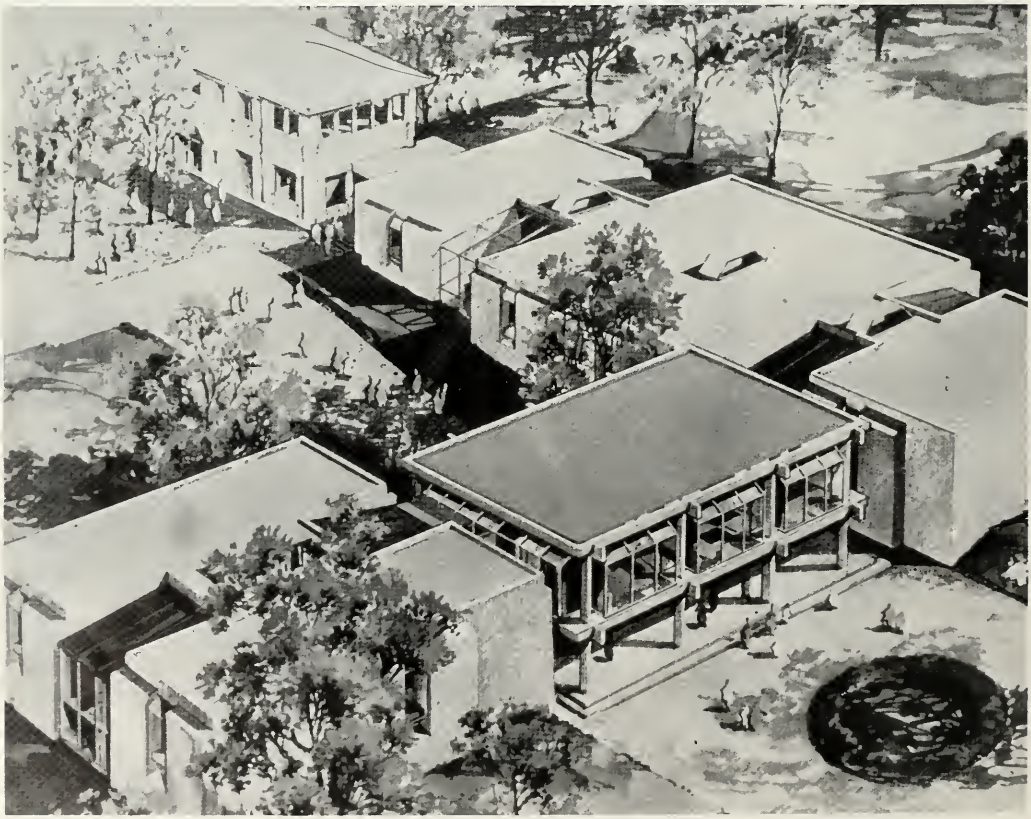
CAXY 1968



We dedicate the 1968 Caxy to the future which the new academic building gives Lake Forest Academy. A new educational complex, realizing the faith of many friends and dreams of many years, will provide much-needed labs, classrooms, and lecture halls.

This faith in action is represented by the Phoenix on the cover of the Caxy. The flame the Phoenix rises from symbolizes the dependence of the new school on the old. However, as only one Phoenix lives at a time, so only one school, a new school, can live-despite ties to the past. Thus with the challenge of changing brick and iron into understanding, this book is dedicated as we faithfully look towards the future.



In the silence of bricks and bronze,
Voices.
Remsen and Reid, what do you say
After so many years, you who are
A part of us still, because we were
A part of you? And Durand, what
Gift it was you spoke to us in history
We can no longer say, yet you are here
Among us, in your name mute
Loyalty to lift us up for ages
Yet untried.

Great Names

Names of faith and the gifts of hours,
Names who knew the travail of a venture,
Yet saw beyond the travail to the glory
Of a school, and saw the sacrifice was good.
Your names are in the heart of this your dream.
Through you speaks the legacy that
Makes tomorrow strong for those to come.
Field and Warner, Glore and Bates and Clow,
Cargill, Armour, Mellody and Wook--strong
Names of Prichard, Nelson, Fremd
And Richards, McIntosh, McCormick, Lind.
Now, bricks and bronze, speak on:
Names as yet unhonored grace tomorrow's need
To take your dreams to destiny.
So rest, brave names, and trust.

If a man has a talent and cannot use it, he has failed. If he has a talent and uses only half of it, he has partly failed. If he has a talent and learns somehow to use the whole of it, he has gloriously succeeded, and won a satisfaction and a triumph few men ever know.

To everything there is a season,
And a time to every purpose under the heaven;
A time to be born, and a time to die;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to get, and a time to lose,
A time to reap, and a time to sow,
A time to keep silence, and a time to speak;
A time to love, and a time to hate;
A time of war, and a time of peace.
Ecclesiastes III

REFLECTIONS

Make life more challenging, and your rewards will
be that much more rewarding.
Live life to its fullest, making it personally
meaningful,
And it will never be void of the essence; love,
cause, immortality...
Then you have lived, and not merely existed.

CAXY

Each year, the CAXY staff has tried to better the previous year's work. This year has been no exception. The goal that was set at the beginning of the year was to create a new type of yearbook, a book that not only reflected the spirit and activities of our school but also expressed the creativity of the students. We feel that we have achieved this goal successfully.

Special credit is due Editor-in-Chief Chuck Shaw and faculty advisor Mr. Ward. Their desire to produce the best and the most creative yearbook in the Academy's history has been, in the staff's view, successfully accomplished.

INFORMATION SERVICE

Youderian, McDonald, Tate, Roberg.

The purpose of the Information Service is to serve as the public relations voice of the Academy. It serves a vital service in getting LFA sports stories immediately off to local newspapers. However, beyond supplying vital publicity about very successful sports seasons this year, the policy of the Information Service is to go beyond this in writing creative feature articles--articles with new angles about the Academy to interest the reading public. With such articles directed toward Chicago newspapers, a very high quality of journalism is necessary. This is the area in which faculty advisor Albert Louer plays a vital purpose.

Beyond the important and laborious sports writing, ably headed by Gerry McDonald and supported by Phil Youderian, Bob Peithman, and Mike Tate, the Information Service is now looking for different fields to write articles about. Headed this year by Ted Roberg, it is putting its efforts toward feature articles in the very near future concerning the art displays, theater club, and the 1920 football teams, which will supplement the Dailey News story of the past fall about our boys who went to Outward Bound last summer.

REFLECTIONS

Heiberg, Yates, Baske, Anderson, Shaw.

Since 1960, REFLECTIONS, the school's literary magazine, under the supervision of Mr. Heiberg, has provided an opportunity for academy students to express their creative ability.

Although primarily concerned with achievements in literature, REFLECTIONS is also the collection of the creative works of students in art and photography. Articles are handed into the Literary Board consisting of Charles Shaw, '68, James Heiberg, '68, Roger Baske, '68, Thor Anderson, '69, and David Yates, '68, and from these numerous works the best are selected for publication.

REFLECTIONS allows LFA students to "reflect" their feelings as well as allowing the capable student to achieve recognition and respect for his work. This is a necessary and important service that belongs in every educational community.

The attitude of the times with many different viewpoints, shown largely through poetry, has been the theme of many well thought-out works this year. This shows a consciousness and awareness on the part of LFA students.

ACADEMY SCHOLARS

Youderian, Heiberg, Mayer, Bala, Greenfield.

To be designated an Academy Scholar is the highest distinction a boy can achieve at the Academy. This honor is bestowed only to those boys who have demonstrated intellectual resourcefulness and a high degree of self-discipline as well as superior academic performance.

An Academy Scholar is expected to take Independent Study, a course which exemplifies the intellectual initiative expected of an honored student by enabling the student to explore institutional resources outside the school and relying heavily upon his self-motivation.

The Academy Scholar program has succeeded in becoming a firmly established goal for which all qualified students are now striving.

STUDENT

The Academy's Student Vestry under the new leadership of faculty advisor, Reverend Broeksmit, and Senior Warden, Randy Stratton, has continued its search for new approaches to strengthen the religious atmosphere of the school.

This year, the Vestry has met every week to handle new suggestions for making chapel a more meaningful experience. Among new ideas has been a proposal for more contemporary hymns to be sung in both Sunday and daily Chapel, perhaps with the accompaniment of a guitar. Mr. Trier has helped the Vestry to investigate these new ideas for livening up Chapels as exemplified by his accordion performances as well as his teaching the students songs of other nationalities.

The progress of the 67-68 Student Vestry has surpassed that of all other years, and we hope its success will continue.

PREFECTS

After two years of experimenting the Prefect system has developed into a valuable and efficient means of communication between students and faculty. This year's Senior Prefects were very active in their role as student representatives. Their regular meetings with the Dean provided the opportunity for a casual exchange of ideas between the students and the members of the faculty. The Prefects have become firmly established at Lake Forest Academy, and we of the CAXY wish them the best of luck in the years to come.

Bottom: Farley, Bennan, Potter, Mayer, Krogstad, Collins, Konker.

This year's Student Affairs Board was under the able leadership of Dean Bennan. The devoted young men of the S.A.B. worked tirelessly to arrange dances with Sacred Heart, Ferry Hall, and Roycemore. One of this year's innovations was the Christmas dance. The dance was a roaring success worthy of becoming a traditional at LFA. All of the dances were well attended and greatly appreciated by the entire student body. Mr. Blum, this year's faculty advisor to the S.A.B. said, "This has got to be the greatest bunch of guys that I've ever worked with."

SERVICE SOCIETY

Last year the Service Society underwent a revamping under the leadership of Mr. Crosby. This new program added the term "volunteer" to the society's projects. For the first time, the society concerned itself with helping people outside the sphere of "our" community.

This year the Service Society changed hands; with Mr. Broeksmit taking over as faculty advisor. Mr. Broeksmit and chairman Ed Farley have very successfully continued last year's off-campus projects and have added to the activities of the society on campus. There is now a refreshment committee for athletic events and the work crew devised last spring has been reactivated this year. The Society has also teamed up with the Student Affairs Board in such activities as the "Miss Ferry Hall Date Raffle".

The Service Society has in the past two years stepped out of its dormant years to become a worthwhile and whole-hearted success. This has been accomplished through the unselfish efforts of Mr. Crosby, Mr. Broeksmit, John Kunstader, Ed Farley and all the individuals who have given their time to make the Society what it has become.

SPECTATOR

Standing (l to r) O'Brien, McCarthy, Baske, Jenkins, Ehrlich, McDonald, Czajkowskyj. Sitting: Yates, Farley, Warner.

This year, the SPECTATOR departed from its traditional spirit of non-involvement with both school and world affairs. As usual, the Sports and News sections (headed by Gerry McDonald and Phil O'Brien, respectively) covered the Academy; but it was the Editorial page that manifested the new spirit of the SPEC.

Editor-in-Chief David Yates, aided by the Editorial Board (Roger Baske, Robert Jenkins and William Mayer), discussed almost every aspect of life at LFA---usually recommending changes to the school. One of the most conspicuous successes of these criticisms was the introduction of new formats for Sunday and daily chapel services, in response to Editorials in the year's first two issues. Even when the newspaper did not evoke an immediate response from the administration (as was the case with "Student Smoking"), it did promote beneficial discussion of the problems.

"Student Commentary", a new feature in the SPEC, was initiated to allow Academy men to express their opinions on matters from Viet-Nam to school spirit. The student comments, some moderate, others extreme and pessimistic, demonstrated the kind of insight LFA's students possess.

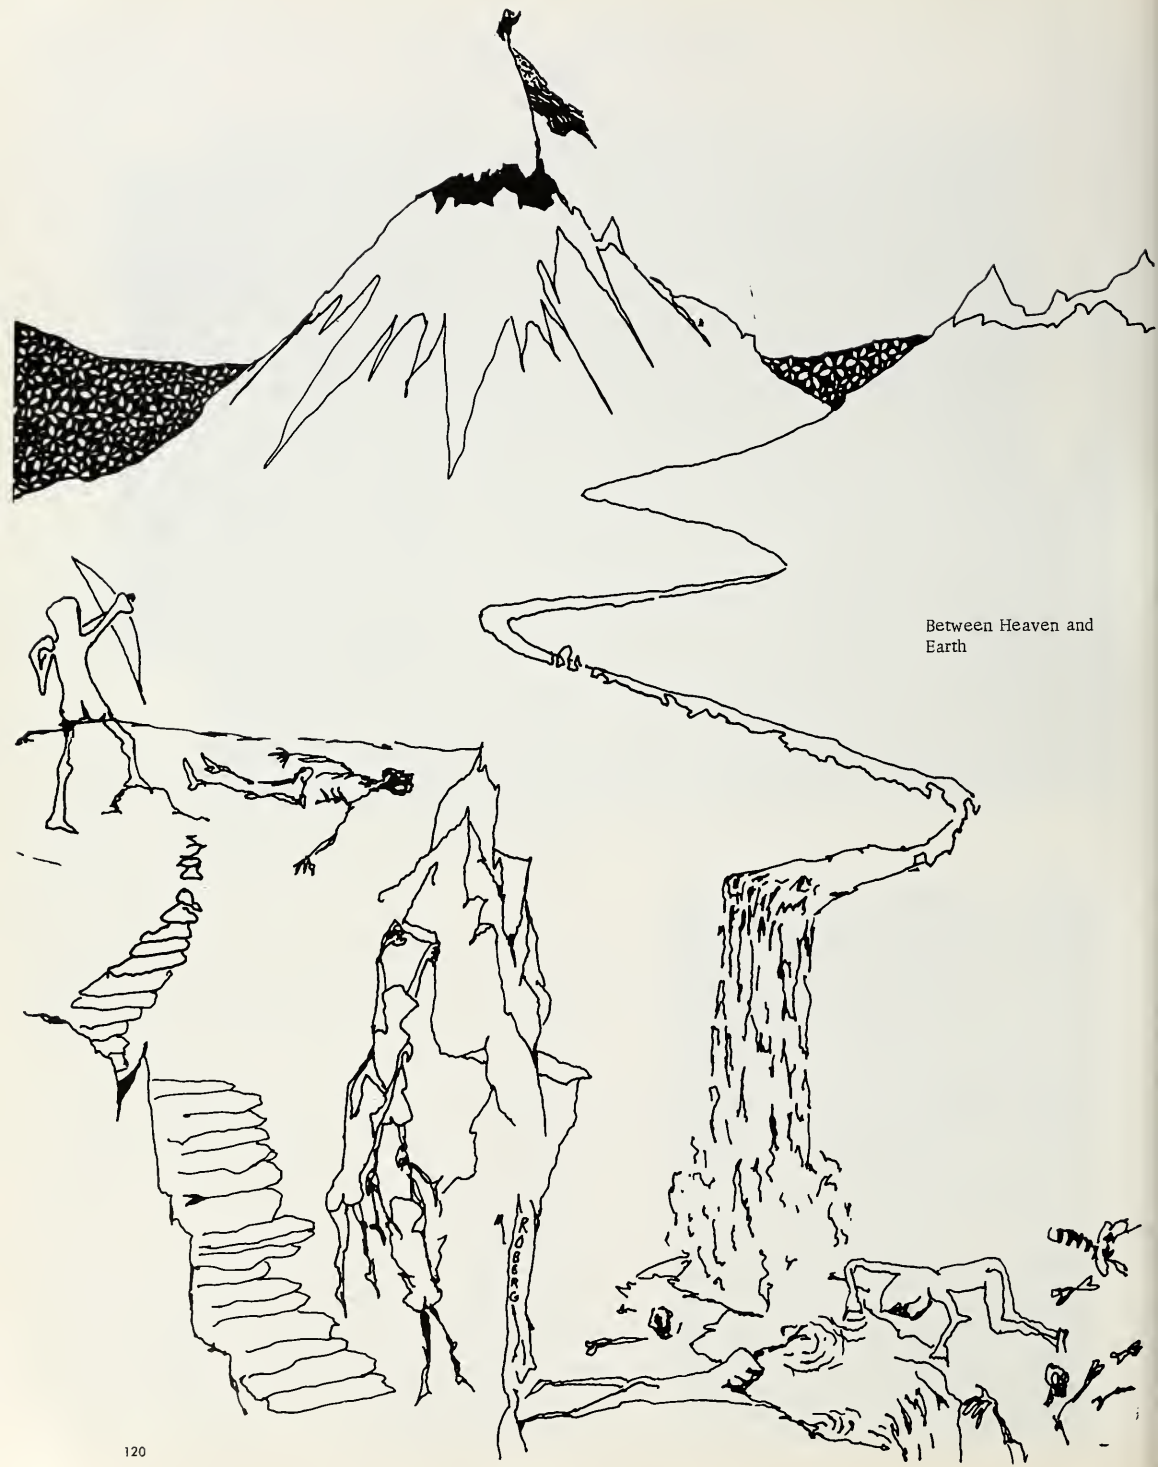
Sustained by the unsung heroes of the staff (Jim Warner, Cyril Czajkowskyj, Owen Ehrlich, Ed Farley, Mark Hefmeister, Ware Flora and Jay Greenwald), and guided by the experience and wisdom of faculty advisor Albert Lauer, the SPECTATOR of 1967-68 was a mirror of its readers' feelings and opinion--that's what a newspaper is all about.

ART DEPARTMENT

Under the able guidence of Mr. Clark, the Academy's Art department has flowered this year. Two new courses were added: "Art and Applied Aesthetics", concerned with the Visual arts (Painting, Sculpture, and Architecture), Music, and Literature, and dealing in the six basic areas of inquiry--subject, function, medium, organization, style, and judgment; and "Photography", an investigation of photographic artistry and darkroom technique. The course is supplemented by visits from members of the Chicago Camera Club Association. Interested students are able to enter several national and regional exhibits.

Expansion outside the classroom has been as great as within. The photography darkroom has been enlarged and completely reinovated with the addition of much new equipment. Also, the art section of the library has been strongly supplemented.

Finally, in order to bring the student closer to the world of art, two outstanding programs have been adopted. First, Mr. Clark has arranged a series of guest lecturers and trips to art exhibits in Chicago to complement each student's art experience. And second, the Academy has sponsored weekly art exhibits in Reid Hall, thus bringing some of the finest contemporary work to the school.



Between Heaven and Earth

DRAMA

This has been a very busy and very successful year for Lake Forest's drama group. The season was highlighted by the winter presentation of an adaptation of Edgar Lee Masters' SPOON RIVER ANTHOLOGY, produced by Mr. Paul Fairly. Featuring Phil O'Brien, Larry Morier, and Paul Sommer of the Academy, Anne Drymalski of Woodlands Academy, and Sydney Martin and Nancy Morley of Ferry Hall; the presentation was a great success.

Other major efforts of the year included three plays, MY LAST DUCHESS, THE DEATH OF THE HIRED MAN, and PATTERNS, all produced at Ferry Hall.

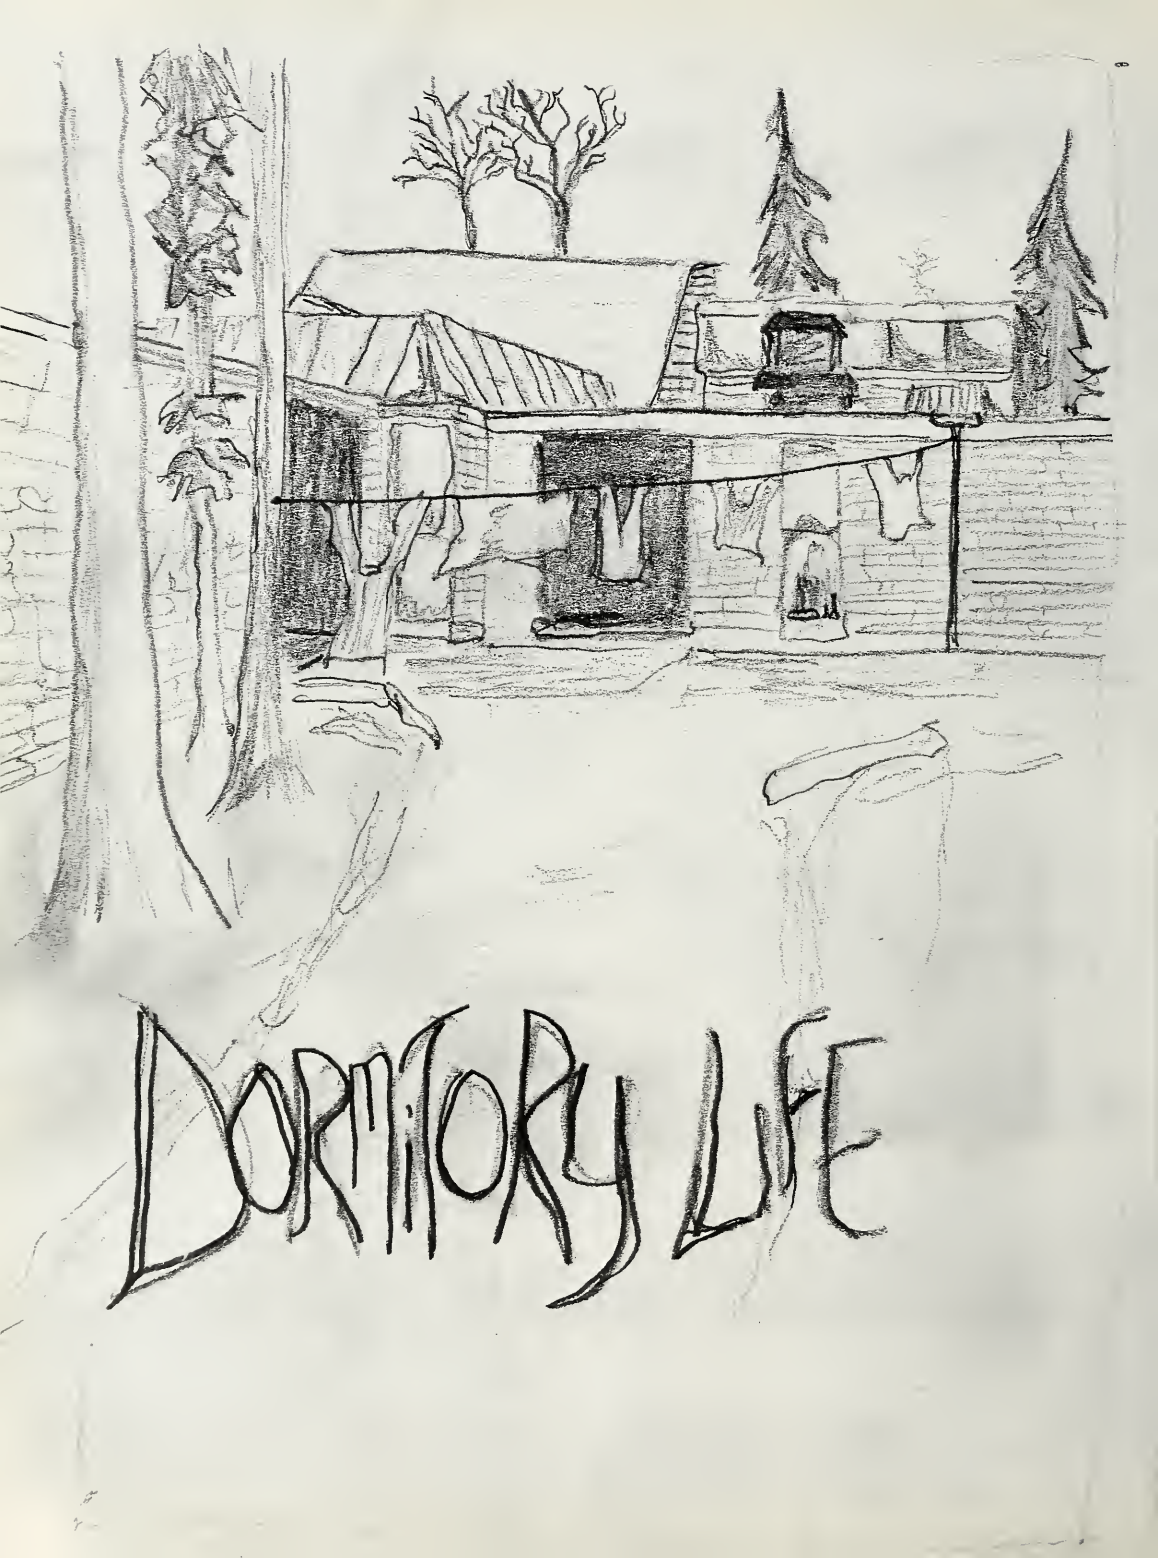
HOMECOMING

This year's Homecoming weekend was an outstanding display of Academy Spirit. The events began on Friday afternoon with nearly 250 parents attending the Parent's Day program. While this went on in Reid Hall, all the students took part, in some way, in decorating the campus for Saturday's festivities.

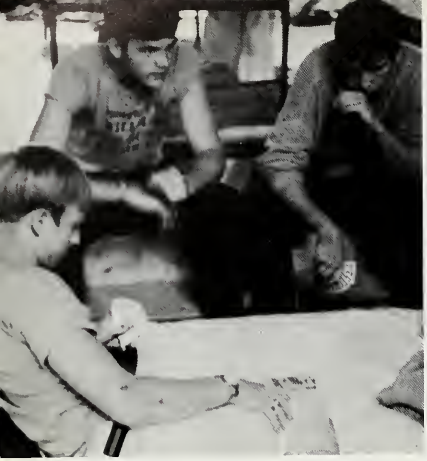
First on Saturday was the Varsity Soccer game with University Lake School; the contest finally ended in a 1-1 tie after a double overtime. Also that morning in a tightly fought contest the Frosh-Soph football team tied St. John's Military Academy 6-6 in what proved to be one of the toughest games of the year.

Between these events and the Varsity football finale in the late afternoon came a running canoe race in which each dormitory gave a valiant try; the Bates House team, under the leadership of Phil O'Brien, finally won. Directly preceding the game with St. John's an all school parade formed behind Bates House. Mr. Trier's band led the marchers, followed by dormitory floats, the judges of the day's decorations, the Ferry Hall Cheerleaders and the Day Boy "Frog", which later helped the team on to victory. The highlight of the day was the football game against previously unbeaten St. Johns. The Caxymen easily won by a score of 22-0 with the most valuable player award voted to the entire team for its tremendous effort. During half-time the Cross Country team was narrowly defeated by St. Johns. Ending the pagentry of the day was another victory by Bates House in the dormitory chariot race. Congratulations go to Bill Bosworth, Ed McCarthy, and Ken Gerber for their organizing of the victorious Bates House Squad.

To close the day a tea was held for all students and parents followed after dinner by the Homecoming Dance. With the inspiration of a fine band and a well decorated hall the dance was considered a success by all who attended. With the fine imagination and organizing of Mr. Clark and Dean Bennan the '67 Homecoming was obviously one of the best in the Academy's history.



DORMITORY LIFE



WARNER HOUSE

Warner House has once again pulled through the long winter months through the efforts of its fine group of upperclassmen and its able masters; Ainsworth, Pierre, Blum, and Louer. The freshmen quickly learned their place and could often be found cleaning seniors' rooms and doing pushups. Warner House Golden Gloves Champ J.K. Browne usually spent his free time sparing with the freshmen. Physical Ed Farley spent half of his year cooking for Larry Morier who was either in the lounge or the infirmary. Larry also uttered the most famous Warner House quote, "This is my last cigarette". All in all it was a great year at Warner.

BATES HOUSE

Under the watchful eyes of the Management, Bates House has survived another year, and again Senior Power has triumphed over evil. though frustrated early in the year, the Bates House Senior Advisory Committee rallied to stem the rising tide of Nimsian Somnolence. Through the extemporaneous endeavors of the Fire Marshals, McCarthy, Gerber, Bosworth, and Stratton, by Homecoming Bates had firmly established its dominance of speed at the Academy (both physical and mental). Constantly protecting this position of honor, the Management adopted a program of strictest training in order to keep the boys in good shape as the dorm. And it's in pretty good shape for a wall.

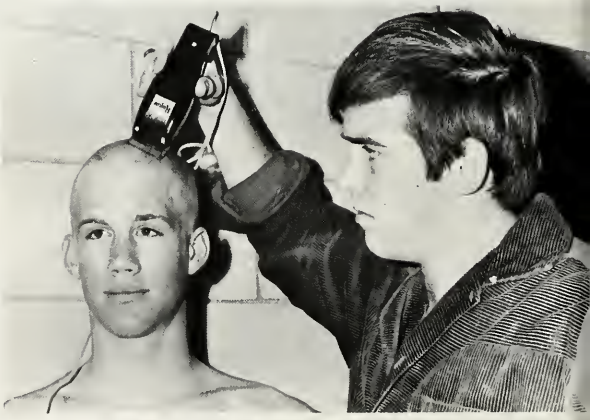
FIELD HOUSE

This year Field House has again set a sparkling example for all other dorms next year. Field has established its position many times over with the advent of the Skinhead's Club and the all too unforgetable Oasis Club.

Even though the group has been subjected to many a thwarting obstacle, the G.B.A. Club and the Fast Exit Club leaves us with many a fond memory.

Another group called the Terror Squad headed by "Falcon" Dean Bennan with able support of Owen, "Ralph" Watkins, Snyder, Sheppard, and of course Allen Ball have struck terror in the hearts of many throughout the year.

Along with all this and many others and of course not forgetting our excellent group of masters and wives, and Carl and his wife, we are led to believe abouve and beyond all doubt that field house is where it's at....



COTTAGES

The Academy's tranquill cottages had their magic moment again this year. McIntosh, jammed with underclassmen, was seemingly scholarly and very quiet about its escapades, if there were any. A fine, upstanding dorm with fine, upstanding students, the epitome of the best. No problems for Mr. Berry. Nice, huh? And then there was Richards....

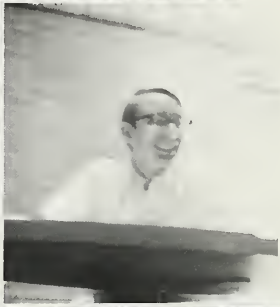
Mr. Crosby was kept very busy this year, what with the Grand Visier calling TWAR meetings MOST EVERY night and two of the three inhabitants enrolled in the Oasis Club. And for fun there were athletic contests with the valiant Dai-Bois pitting their strength and stamina against the elusive moves of Merlin Olsen and Company. Ofter Fieldites would also be seen emerging from the tangle of someone's sheets and broken bed after a five year plunge. The crowd, often quite large, loved it.

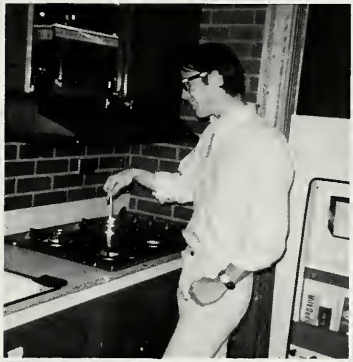
And so on through the year and down into history go the dwellers of peaceful Richards with jolly cries of "Remember the day before Christmas Vacation". Hey, I will!

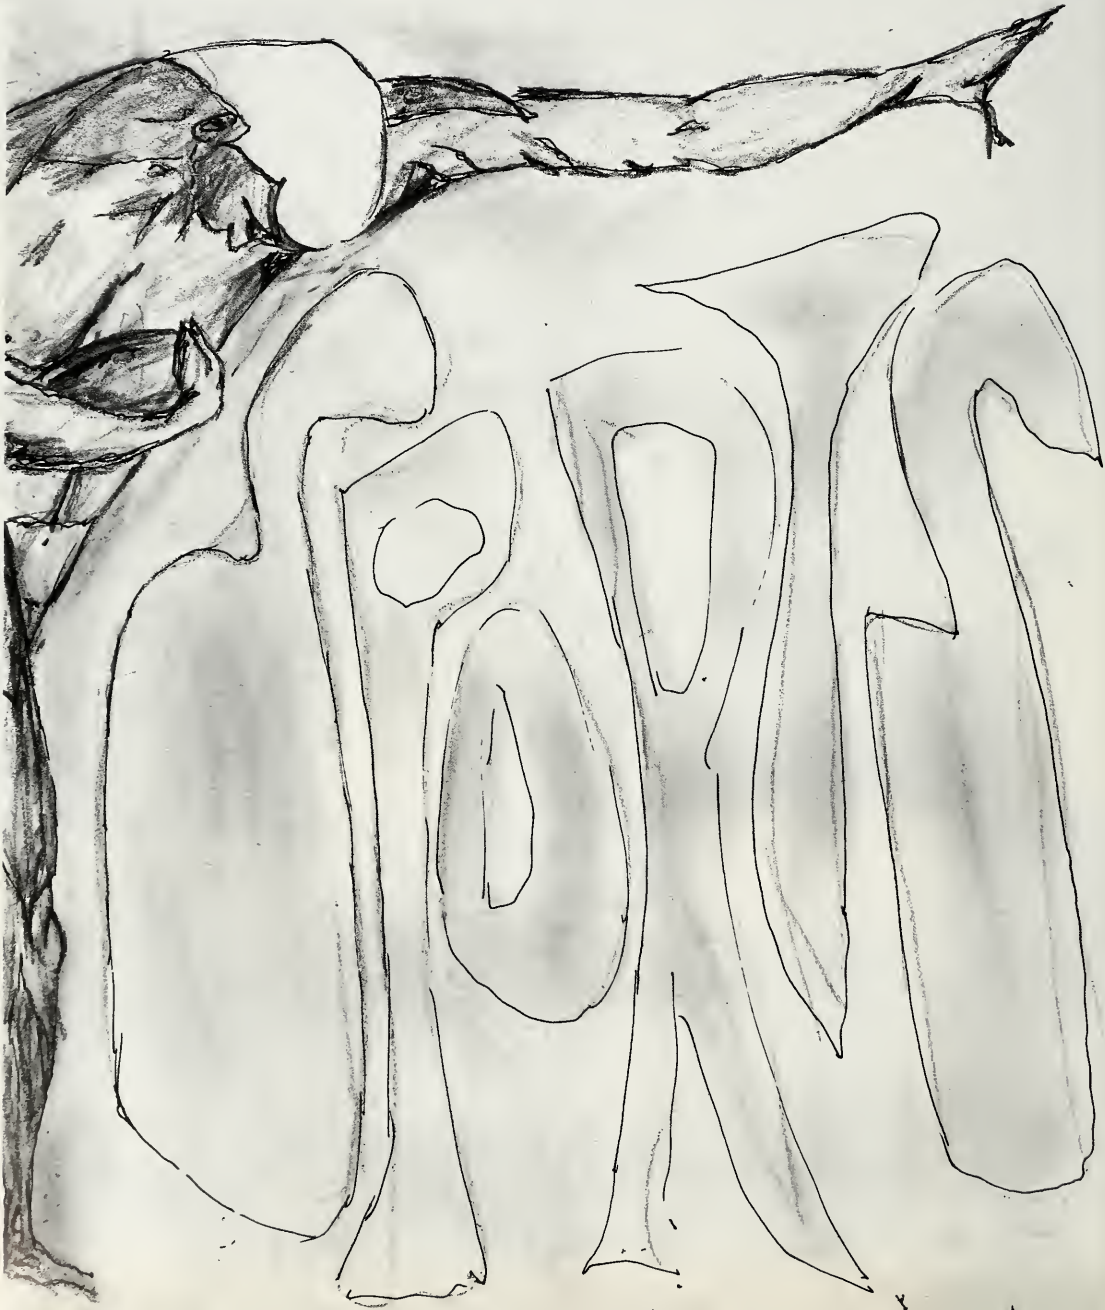
The Day-Boys have returned this year stronger than ever. They have grown notoriously adept at being late to Chapel, because the several remaining speed bumps have impaired their "slow" progress along the gatehouse road.

Of many of the Day-Boy's accomplishments are the infiltration of Dave Konker into the TWAR, the start of an LFA cheerleading squad by Tom Turner, and new Warner--Gatehouse records set by Roger Baske, Scott Hansen, and Dave Konker.

DAY-BOYS







VARSITY FOOTBALL

F A L L S P O R T S

Top (1-r): Coach Dohr, Sheppard, Ball, Nathan, Bennan, Konker, Heiberg, McGuire, Silcox, Tate, Schwartz, Coach Hartman, Middle; mgr. Hofmeister, Miller, Fletcher, Weichselbaum, Mueller, Palmer, Anderson, Gillett, Garcia, Hansen, Dombrow, Wilson, Bottom: Rubin McDonald, Turner, Watkins, Howard, Baker, Collins, Molesta, Johnsen, Daugherty, Newberry.

The 1967 varsity football team compiled a final 7-1 record and brought the tally of victories to 15 in the last 16 kickoffs. Though the season's successes were dominated by the power of a solid and brutal defense, the offense averaged an impressive 23 points per game.

Returning from two weeks of light practice at its preseason camp, the Caxymen sharpened their cleats for a noteworthy rival Morgan Park. At the end of the battle, LFA imerged with an easy 21-7 victory with a running score by R. Newberry and passing scores from Craig Wilson to B. McGuire and Dave Konker.

Next to fall was the Illinois State Training School of St. Charles. The Caxymen scraped an easy 39-7 victory over a disorganized "Training" team. Scoring starters were Dave Miller (first offensive play of the game), Dave Konker, and bruising fullback Tom Turner.

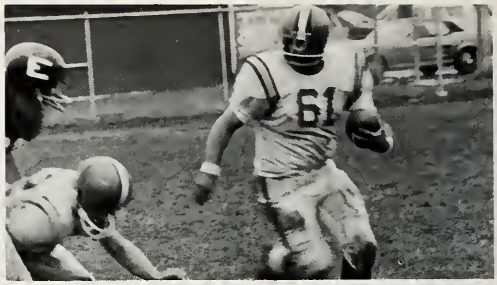
With a full head of steam, the Caxymen invaded the territory of the Elmhurst College junior varsity and squeaked by with a 13-7 victory in the last 30 seconds. Though the Caxymen were behind at the 7-6, with 29 seconds remaining, QB Craig Wilson plunged for the final score. Konker added the conversion and time ran out. Extremely impressive against the hard-hitting Elmhurst offense were the efforts of Marty Johnsen, Jim Sheppard and Tom Turner, who consistently bottled up Elmhurst's running attack in the interior line.

Victory number 4 was waiting as Glenwood invaded Caxy territory. Both teams were undefeated with Glenwood leading the Independent League standings. The tremendous effort by defensive end Dean Bennan, Tom Turner and Jim Sheppard once again aided in a 34-0 victory. Rich Newberry scored twice, McGuire scored once, and brutal, 6-3, 215 lb. Robin Silcox recovered a fumble late in the forth quarter and went in for the T.D. Craig Wilson scored the final touch-down. With this conquest notch on its gun the Caxymen tensely awaited its Homecoming against undefeated St. John's Military Academy. Boasting a line averaging 205 lbs., St. John's hulks were handed a 22-0 defeat. They fell easy prey to the

Academy's unusually potent offense. McGuire played his usually excellent game receiving two TD passes. Hansen and Konker also scored. Needless to say, the Saints from the dairyland never had a prayer.

Carrying a 12 victory string into their 13th game with archrival North Shore, the Academy suffered its most humiliating defeat in many years. Unable to sustain a continued drive or to maintain their usually strong defense, the Academy lost by a score of 13-19.

It was unfortunate for Francis Parker that they were next on the list of the Caxy's opponents. The colonels were no match for the revenge-minded Academy. Scoring in the 14-0 defeat were



Scott Hansen and Craig Wilson.

The last, and probably most rewarding, game of the season was with University School of Milwaukee. M.S.U. entered the game with bitter remembrances of last year's defeat, and both teams knew that this might very well be their last encounter since the Academy would be joining a league the next year. Unfortunately, adverse ground conditions made it impossible for either line to really work on their special man to man tactics. The only score came when Jim Heiberg picked up a Konker-blocked punt and ran it in for a T.D.

Special mention should be given to the offensive efforts of Scott Hansen, Dave Konker, Brian McGuire, Craig Wilson, Tom Turner, and Dave Miller, and to defensive standouts Falcon Dean Bennan, J. Roy Sheppard, Robin 'the bird' Silcox, and Svawka 'the juice' Johnsen. As standouts they formed the nucleus of the powerful Academy team. No less important were Mike Tate at center, Thor Anderson at guard, Phil Collins at half, Fred Mueller at guard, Frank Nathan at tackle, Bob Schwartz at linebacker, Flash Fletcher at tackle, Defensive Specialist Ralph Watkins at guard, Aeriel Specialist Trout Roberg at Q.B., and at half Rich Newberry, who, although he did not see much action as a starter, contributed many scores and back up efforts of S. Hansen and promises to be an outstanding ball carrier. Congratulations are in order to head coach Les Dohr and assistant line coach Robert Hartman for their dedication and efforts to make the LFA varsity football team what it was this year.

UNDEFEATED SEASON

Lake Forest Academy

Won	Lost	Tied
6	0	2

With six returning lettermen and a determination to better last year's splendid record, the soccer squad opened the season on October 6th with a 5-0 conquest of Frances Parker and Friends. Some four weeks later, on the fourth of November, the Academy clinched an undefeated season with a 1-0 victory over the University School of Milwaukee.

The team featured a merciless offensive unit, sparked by "sauerkraut" Doug Snyder, whose whose trusty anklet knocked ten big ones past opposing netminders. Running a close second on the production ladder were Co-Captain Ed Farley, Mark Loveland, Penn, Stoner, and Strong, with two apiece. Paul Sommer added a lone tally to raise the season's total to 21, compared to 7 for the Academy's opponents.

The mainstay of the defense, which averaged fewer than .9 goals against it per game, was goalie Jenkins, whose cat-like reflexes enabled him to hold the opposition scoreless on five occasions. He was ably assisted by a Nigerian political refugee, Ed Dolezal, who previously started for five years on the African Banana Pickers' Intercontinental Soccer Club, and Co-Captain the intrepid Bill Gleysteen, who coughed his way through his third year as a starting fullback.

The season's highlight was the 1-0 squeeker over Milwaukee, played on a minuscule sponge of a field in near-freezing temperatures. The Academy speedsters could not keep their feet on the ground and were held to a standstill by Milwaukee's Cougars. The Caxymen had many fine scoring opportunities in the first two periods, including a wide penalty shot, but their power was partially harnessed by the poor footing and all their challenges were successfully met by Milwaukee's more than able goalie. The third period finally saw Snyder scoring on a penalty kick. With only minutes remaining in the fourth and final period, Dolezal, muttering something about coconuts, picked up the ball, which was in play at the time. Fortunately, Jenkins' evil-eye forced the penalty kick over the net. Moments later the game and season ended.

Congratulations are in order for Coach MacKenzie, his fine team, and, yes, even manager Charlie Dick, for their excellent 6-0-2 record. Continued efforts of this kind will secure the soccer team the attention and subsidization it deserves.

CROSS COUNTRY

The Lake Forest Academy Cross Country team, after several winless seasons, finally broke into the winner's column this past season by capturing three meets. With the graduation of last year's top four runners, Coach Ernie Barry had a lot of rebuilding to do. Through his efforts and those of assistant coach Pierre, the harriers became a close-running group. In several meets fewer than ten seconds separated the first five runners. Three of the Academy's top four runners were new faces this year. They were Bernick, Kieft, Flora and Kaplan. Brad Palmer, Gluck, Peithman and Ziebell rounded out the squad. They were a serious bunch which also enjoyed themselves. Beach-birthday parties after the meets were excellent morale boosters. With only two of this year's top six being seniors, prospects for coming years are rightfully bright.

FROSH-SOPH FOOTBALL

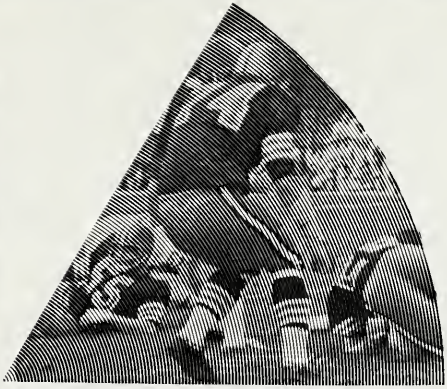
Back (l to r) Coach Proett, Heininger, Stanton, Ford B., Ford J., Konstant, Reddy, Robertson, Curley, Einbender, Coach Blatchford, Coach Clark. 2nd Row: Montgomery R., Carlson, Anderson B., Lill, McNeal, Baske, Goolsbey, Wechter, McFarlan Montgomery J., Bulger. 3rd Row: Mgr. Bottom: Breternitz, Bull Schnur, Hediger, Broeksmit, Abrahams, Pollack, Bloom, Anderson, Wiedman, Gras, O'Connor.

The Frosh-soph had a fine season suffering only one defeat, that in the game against USM, ending their three-year streak of thirteen games without a loss. In their first game of the year, the Frosh-soph handily defeated Morgan Park 21-7. In their next four matches they defeated Racine 26-7, were tied by St. John's Military Academy 6-6, rolled over N.S.C.D. 26-0, and, in a grudge match, hog-tied St. John's 13-6. This left the Caxykids with a 4-0-1 record going into the final game with USM. The cougars scored first and the Academy could never get unwound. They suffered a 30-14 defeat.

The Frosh-soph, comprised of five returning lettermen and a flock of new boys, compiled a fine season. Outstanding running was provided by the speedy backfield of Baske--Bulger--Goolsbey, with Jaros at the throttle. Considine and Dangler provided support for the heady foursome.

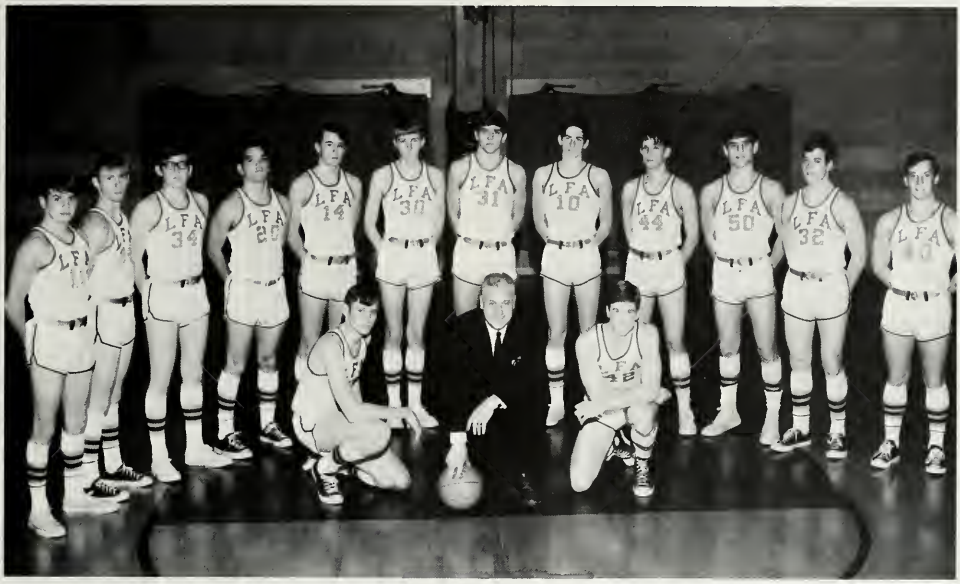
The line was big this year with McFarlane and Phelan at the ends, Curley and J. Ford at the tackles, Robertson and Breternitz at the guards, and Big Mike "Rough and Reddy" at center. Backing up these able--bodied men were Bill Ford, Stanton, Wechter, Means, Prine, and a host of others.

Head Coach Tom Clark was very ably assisted this year by Mr. Proett and Neil Blatchford '64. Best wishes for continued success in the years to come.



WINTER SPORTS

VARSITY BASKETBALL



Standing: Ely, Miller, Yates, Hansen, McGuire, Hook, Heiberg, Penn, Cowart, Weichselbaum, Wilson, Daugherty. Kneeling: Mayer, Coach Dohr, Konker.

In the first contest of the year, the Academy met a highly rated Glenwood team. A stout defense gave LFA the game by a score of 64 to 43. Next St. Gregory faced the Caxymen, only to be trounced 82-48. The team kept rolling with a third quick win over Elgin 80-48. By now the squad was really beginning to jell, and when St. John's travelled to huge Glore Gymnasium, the Academy team swept them off the court swiftly. Final score 75-61. This win gave LFA the momentum needed to defeat THE ENEMY, North Shore. The first game of the two meetings went to the Caxymen and Dave Konker, who was spectacular in this contest scoring 37 points and completely dominating the game. The score was 79-64.

Coming back from vacation LFA easily returned to form with excellent performances by guards Hansen and Wilson to defeat Francis Parker 79-54. The team rode to Racine to be worried by Racine Lutheran. Behind the entire game, the varsity cagers tied the game up in the last fifteen seconds and then came on to win 68-61. Next the Caxymen met Latin. The game was fast and furious with Heiberg and McGuire controlling the boards. The game was LFA's 70-60. Again on the road, LFA took lead early in a game at Chicago University High and won by a score of 75-63. The Caxymen returned home to defeat Morgan Park 73-40. On Feb. 3, LFA played at North Shore. Everything went wrong for us and everything went right for the Raiders. North Shore won 82-67. A saddening loss, of course, yet with only one defeat on the record and more games to play, LFA knows that its squad can continue to produce a record which will match almost any other in the books.

Led by Dave Konker, Jim Heiberg, Brian McGuire, Scott Hansen, Craig Wilson, Dave Miller, and Bill Mayer, the varsity has displayed a kind of teamwork and team spirit rarely seen. We all hope that this quality of play continues, as we all wish the team continued success.

FROSH-SOPH BASKETBALL

Top (l to r) Montgomery, Lee, Molesta, Morrison, Baske, Thomas. Middle: Mgr. Leahy, Bartelsmeyer, Sokolsky, Dangler, Considine, Abrahams. Bottom: Ford, Mann, Prine, Groenings, Broeksmit.

The Frosh-Soph basketball team has the commendable record of eight wins and three losses thus far this season. With play-maker Rich Newberry as captain, the team can look forward to a fine season. Joining Newberry on the starting team are forwards Peter Lee and Doug Baske, guard John Morrison, and center Mike Mann. Bill Bartlesmeyer, John Groenings, Dave Considine, and Bill Ford provide the needed depth.

With the dribbling of Newberry, the shooting of Morrison and Baske, and the rebounding of Lee and Mann, the team has thus far scored a total of 575 points to the 444 scored by their opponents. The highlights of the season, to the time of writing, include a last-minute 54-52 victory over a strong North Shore team, and the Caxykids' victories over Latin and Elgin, both games in which the whole team played.

With two starters Baske and Morrison returning, Mr. Ward's junior Caxymen can look forward to another fine season next year.

WRESTLING

The Caxymen entered the 67-68 season with high hopes. Senior co-captains Roger Baske and Fred Wollrab, along with returning lettermen Dave Dolkart, Spence Hilton, and Phil Youderian, seemed to provide a solid basis for this year's team. The team was encouraged by the new acquisition of freshmen Larry Goolesby and Tom McNeil, juniors Robin Silcox, Will Stoner and Joe Garcia, and by returning Seniors Owen Ehrlich and Ted Roberg.

Coach Swano's first match of the year was away at USM, and everyone lost except captain Roger Baske. This was quite demoralizing, as the team had already lost a letterman and a co-captain. In the next match with Morgan Park, the Academy lost 38-18, but showed increased strength in the upper weights, with pins by Garcia and Baske, and a win by Goolesby. The next match with St. Johns saw the Academy win a thrilling 2-point last minute victory as Robin Silcox knocked out his man. Joe Garcia and Roger Baske pinned again, and improvement was seen in Dave Dolkart, Tom McNeil, and Will Stoner.

Although the team underwent problems with illness, the wrestlers still look hopefully to four very tough remaining matchers. The team prepares for Loyola as this is being written, hopeful that Loeb, Ehrlich, and Roberg will use their experience to better advantage, and counts on Joe Garcia, "Crunch" Baske, Goolesby, and "Big Fella" Silcox to come through again. Next year's prospects are bright with many returning wrestlers. The Academy has much to look forward to, especially since it will be competing for the Independent League championship.

Top (l to r) Lamberson, Tate, Kieft, Mann, Lutz, Pounds, Robertson. Middle: Carlson, McCarthy J., Buell, McCarty E., Krogstad, Breternitz, West, Dick, Curley, Heininger, Coach Blum, Coach Hartman. Bottom: Reddy, Swift, Rubin J., Craft, Martin, Olstad, Anderson G., Gras, Anderson M., Butzlaff, Perlman (not pictured).

The 67-68 swim team does not have the outstanding record that last year's team had, but it has done quite well in several individual events. This year's team has been severely hampered by a lack of depth. Several times only a slim margin separated the Academy team from victories. In February, the team entered an Invitational meet at the University High School of Chicago, and the swimmers did quite well.

The team has been carried all season by a small group of swimmers. In the 200 yd. and 400 yd. freestyle co-captain Ed McCarthy and Make Tate usually swept 1st and 2nd places, and Ed has broken his own school record in those events several times. Mann, Curley, and Krogstad swim the 50 and 100 yd. freestyle, and all of them place highly. Mann has broken the school record in the 100 yd. freestyle. The individual medley was handled well by Ed McCarthy who holds the school record in that event. Pete Olstad, a freshman, also will be a mainstay of the team in future years.

In the 100 yd. butterfly co-captain Tim Buell, broke his own record twice. He is backed up by Bruce Robertson who will also be one of L.F.A.'s future lettermen. Bruce Lutz has done extremely well in the 100 yd. breastroke and has also broken the school record.

Mr. Blum and Mr. Hartman have done an excellent job of coaching this year. Next year's team, with the nucleus of Tate, Lutz, Pounds, McCarthy and Krogsted, should do a very good job. The co-captains wish them the very best of luck for a successful 68-69 Season.

HOCKEY

Standing (r to l) Coach MacKenzie, Burkart, MaeFarlane, Bulger, Anderson, Owen, Sommer, Bennan, Farley, Weed, Dolezal, Schnur. Kneeling: Wells, MaeQueen, Snyder, Scherb, Watkins, Jenkins, Strong, Ziebell.

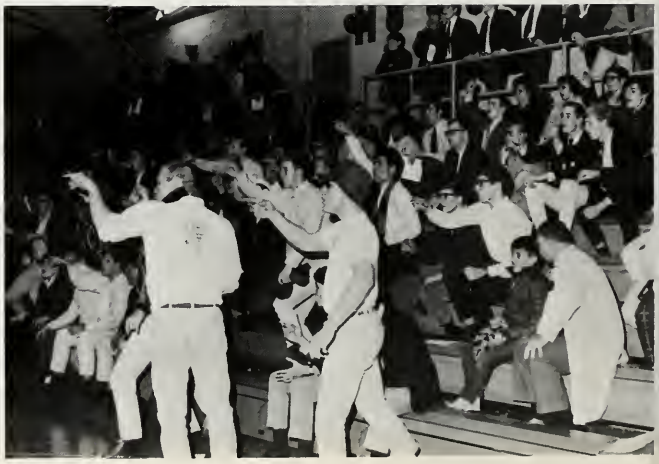
The '67-'68 hockey team, captained by the dynamic duo of "Ralph" Watkins and "Jacques" Jenkins, has presently compiled a half won-lost percentage at the midway mark of the season. The Caxymen, as a result of off-season trades, are a much stronger team than a year ago. Bonus babies Konstant, Conley, MacFarland, M. MacDonald, and the "Blond Bomber" "Wily" Wells, have added strength and depth to the once mediocre team. Furthur acquisitions include the seasoned veteran, "Rock" Bulger, a hard checking egg from the now defunct IHL, and Finley MacQueen, an NHF castoff, who is trying to make a comeback after the amputation of both his legs a year ago. Providing the scoring punch of offense are the two really big lines of Snyder-Scherb-Sommer and Jaros-Weed-Farley.

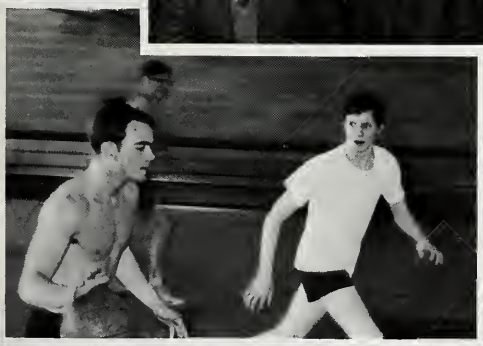
The SSS line, centered by "superb" Scherb, as he is affectionately known to the guys, has accounted for half of the goals to date. The "Fearsome Threesome", centered by "Flailing" Farley, with the "seedy" Weed and "Little Richard" Jaros on the wings, have thus far bulged the twine on four occasions.

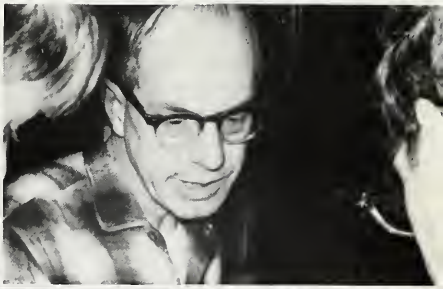
The defense is spearheaded by the "Tenacious Trio" of Watkins, Bulger, and Jenkins. They are ably supported by the "Staggering-Swaggering Swede", "Elbows" Johnsen, a second year pro; "Zombi" Ziebell; "Lightning on Ice" Thor Anderson, a recent pickup from the Freeze Tag Team; and Jonathan Bala, Ph.D., a recent graduate of Yale's Higher School of Conservatism who could not find work and came back to his alma mater as a last resort. A real find.

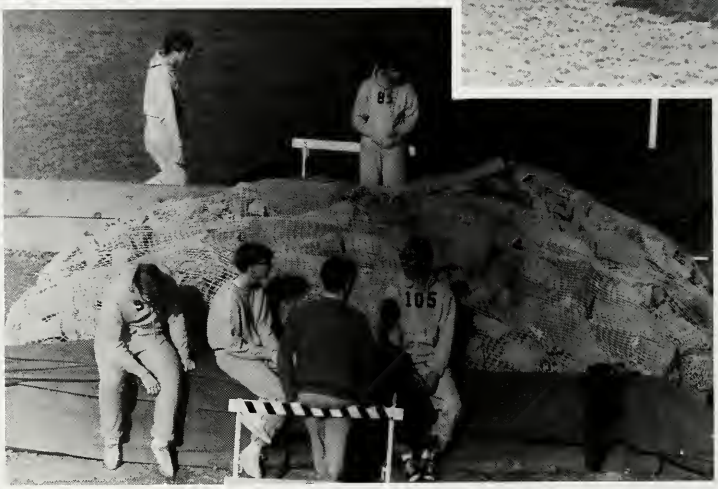
The near future holds in store one game with the Lake Forest College Junior Varsity and North Shore, and two battles with the University School of Milwaukee. The team is optimistic about taking these four games, although practices have been short due to a lack of ice time.

Prospects for next year are great as only Watkins, Jenkins, Farley, Sommer, Snyder, and Johnsen graduate. The team wishes to extend its deepest sympathy to Coach Dave MacKenzie and manager John "Cassanova" Burkart for their long hours spent on the ice.









SPRING SPORTS

(1-r) Loveland, Wilson, Coach Dohr, Mayer, Heiberg, Hansen, McGuire, Turner, mgr. Dick.

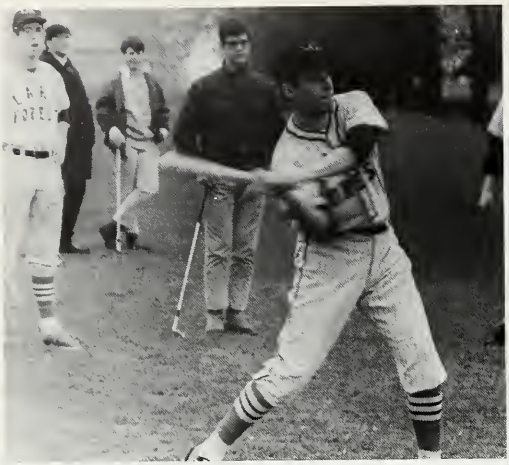
The 1968 Varsity Baseball team has high expectations for the coming season. Hoping to better last year's record of nine wins and two losses, the Caxymen return with six starters and several shining additions to round out a very strong squad. Captain Scott Hansen returns as shortstop, along with veteran second baseman Craig Wilson and first baseman Jim Heiberg.

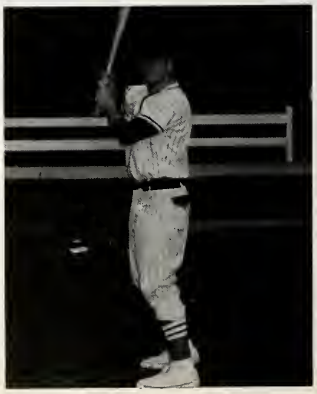
Brian McGuire will again patrol center field, and his bat will contain the teams left-handed hitting punch. Also, right field will be an exciting area to watch as Mark Loveland returns to bolster the chatter unit. Dave Konker, who worked himself into the top pitching spot last year, will return in peak form, once again throwing at backstop Tom Turner. Assisting Konker with the mound duties will be McGuire, a left-handed fireballer, and Bill Mayer, an untested hurler who will hopefully add depth to the staff.

A pair of newcomers to watch include Jim Weichselbaum and Rich Newberry. Weichselbaum may be the man to solidify the outfield, and his bat could help the offense. Versatile Rich Newberry may develop into a fine ballplayer and could supply the needed depth for the infield combination.

With this fine nucleus, Coach Les Dohr should continue his winning ways at L.F.A.

VARSITY BASEBALL





With two of last year's top three players returning, the Lake Forest Academy Golf team looks forward to yet another successful season. Senior Captain Doug Snyder and senior Dave Yates were both consistent members of last year's squad. Seniors Mark Hofmeister, Dean Bennan, and Bob Jenkins, and juniors Fred Mueller and Doug Mann are all prospects for the top five. Adding depth are Greenwald, Vicher, Pounds, Carson, and Considine, along with a group of promising underclass golfers. Under the guidance of this year's head coach, David MacKenzie, Snyder and Yates, the 1968 Golf Team looks to another winning season.

Track Prospects for 1968 are difficult to assess. Many of last year's outstanding track men have graduated, leaving a solid core of proven performers and a batch of new prospects who will spell the difference between success and failure. Co-captains Dave Miller and Joe Daugherty are expected to be outstanding performers this season. With sprinter Bruce Wade and quarter miler Brad Palmer backing up Miller in the dashes, and proven distance men like Bob Peithman and Rob Gluck providing depth, the team has some certain points.

The key seems to be finding a replacement for Dave Robertson in the weights and the abilities of newcomers such as Kieft, Kaplan, and Curt Palmer to win in their events. Randy Stratton, Ted Roberg, and Robin Silcox may solve the shot and discuss problems for the team.

TENNIS

The 1968 Tennis Team will be handicapped by the loss of several key men from the 1967 squad. Since "Sonny" Nobil, Bill Brandes, Steve Lawton and Bob Griswald have all graduated, the struggle for top position this year should prove interesting with Senior Ed Farley contesting newcomer Bruce Ely. Backing them up are four returning standouts from last year's team, John Baker, Seth Dabney, Thor Anderson, and Larry Morier. The team may be hurt by a lack of depth and will have to look to newcomers to fill several positions.

This year's coach Mr. Proet, aided by Academy friend Lawrence Calahan, will face a real challenge in molding this team into as keen a competitor as was last year's. Prospects are presently faint. The team faces a rigid schedule and will need all the help and support of the Academy if it is to equal last year's fine record.

(1-r) Farley, Rubin Butzlaff, Dabney, Morier

FROSH-SOPH BASEBALL

This year's young and inexperienced Frosh-Soph baseball team will have only three returning players: Rich Jaros, a catcher-outfielder who was last year's leading hitter; Bartlesmeyer, a "good glove man" who patrols either short-stop or second base; and Dennis Phelan, who handles the centerfield position and can boast of a 390 foot towering home run last year. These three will form the core of the squad and will hopefully be ably supported by the addition of "Bo-jack" sophomore Mike Mann and freshmen Dangler, Conley, Robertson, and Morrison.

Mr. Hoffman, a former Chicagoland All-star, will coach the team this year. Despite the team's lack of depth, he is confident of bettering last year's 3-3 record. "Hustle" will be the key to this season. The team appears to have an overabundance of it.

(1-r) Conley, Overbeck, Dangler, Bartelsmeyer, Olstad, Jaros, Curley, Phelan, Morrison, Coach Hoffman, Stanton, Mann, Montgomery, Robertson

P.E.

Under the auspices of Mr. Dohr the P.E. classes this year ran as smoothly as a needle bearing. During the fall football was played. The winter saw the P.E. enthusiasts dribbling basketballs and sailing volley balls back-and-forth over the net. For those aquatic acrobats, the pool was open with Masters Carothers, Gouran, Clark, Crammer, and Montgomery playing the lifeguards. Of course the spring thing was softball, out-of doors no less.

P.E. is supposed to be for the less athletically inclined, but those in the classes have no such feelings about themselves. There is as great a competitive spirit as with the varsity teams. This spirit is an attribute to the people of the athletic department at L.F.A.

ACADEMIC CONVOCATION

Culminating the first annual Fremd Forum, this year's Academic Convocation marked the inception of a new tradition at the Academy. The Fremd Forum was established by the class of 1966 in memory of Jonathen E. Fremd, distinguished Teacher and friend of the Academy from 1942 to his death in 1965. It seeks to commemorate Mr. Fremd's service to the Academy by bringing a nationally known figure in the arts of sciences for a week--long residency of teaching and discussion with students. This year's speaker was Dr. David McCord, eminent poet and critic.

The Academic Convocation was initiated primarily for two purposes. First, it was designed to honor those students who have proven their scholastic skills by making an honor roll or being designated an Academy Scholar; and second, to recognize athletic achievement by the awarding of Letters and special citations. The Convocation also serves the function of exposing underclassmen to the pagentry and ceremony they will miss at Commencement.

Again this year, the Music Department, under the direction of Mr. Trier, provided excellent folk and cultural entertainment for Academy students and the local community. Among the highlights of the season were a visit by the North Shore Community Musical Center Orchestra and the Academy production of Rogers and Hamerstein's Cinderella.

The department also took the lead in providing entertainment at the Academic Convocation. In celebration of the state's sesquicentennial, the chorus presented a program of Illinois folk songs and several Sandburg poems put to music.
